YESHIVAT BIRKAT MOSHE – MAALEH ADUMIM

בס"ד

11th Adar a' 5775

February 11, 2014

We are indebted to the distinguished Frimer brothers, Rabbi Aryeh and Rabbi Dov, ה"ו for their wide-ranging and apparently exhaustive study "Women, Keriat HaTorah and Aliyot". They have defined the basic issues in a manner which makes clear that their conclusions are sound and on the whole entirely implicit in the halachic tradition.
